

1

Call someone to help, you better be two people! Put the product on a soft surface in order not to damage it.

2

Take the linking plates and place them on the ground as shown. Then fix the first bench to the linking plates with 4X M8x10 screws

3

Repeat the same operation with the other bench and unite the two benches using the two hookings points.

4

Then fix the table at the center of the composition, between the two benches with 4X M8x10 screws

5

Done!
